*The New York Times* calls it "the best musical of this century." *The Washington Post* says, "It is the kind of evening that restores your faith in musicals." And *Entertainment Weekly* says, "Grade A: the funniest musical of all time." Jimmy Fallon of *The Tonight Show* calls it "Genius. Brilliant. Phenomenal." It's **The Book of Mormon**, the nine-time Tony Award®-winning Best Musical.

This outrageous musical comedy follows the misadventures of a mismatched pair of missionaries, sent halfway across the world to spread the Good Word. Now with standing room only productions in London, on Broadway, and across North America, *THE BOOK OF MORMON* has truly become an international sensation. Contains explicit language.
