## NEW! SWAP-A-SHOW\*

Get more flexibility this year. Trade in your tickets for any show of your choice into another show on the season.\*\*

## NEW! AUTO RENEWAL\*\*

Retain the seats you love season after season without having to go through the full renewal process each year, and be first in line for upgrades. Opt in to automatically renew your season tickets on form on the next page.\*

\*Just as with all subscriber exchanges, swapping into another show may include additional charges if exchanging into a higher priced performance or price level. Please note: only one (1) show per season, per account may be swapped. The opportunity to swap-a-show will become available after upgrades have been processed. Due to limited availability, tickets may not be swapped into THE BOOK OF MORMON.

\*\*If you choose to change anything about your tickets, you can do so with no hassle or problem. There is no additional annual fee - we'll notify you prior to next year's season announcement of the cost of your renewal and the season lineup and charge your card at that time. Not interested in the upcoming season? We'll offer a full money back guarantee.
